However, in the event of a minor material damage accident it is not necessary to obtain immediate Garda attendance at the scene and the carriageway should not remain obstructed.
3. Record details of all injuries and damage sustained. Draw a plan of the accident location to include approximate road measurements.
4. Show the position of road signs, markings, traffic signals and vehicles involved. Take photos if possible.
5. Obtain the names and addresses of any witnesses.
6. Please notify us of your accident within 48 hours on our **24 Hour Emergency Helpline 0818 208 408**.
7. Let us know if you receive notice of any prosecution or if other parties are to be prosecuted as a result of the accident.
8. If your vehicle is stolen or damaged as a result of theft or malicious damage, immediately report the matter to the Garda or police station nearest to the location.
9. All correspondence from third parties, their Insurers or representatives should be sent to us unanswered as soon as possible after receipt.
10. All Zurich customers can now avail of our new Claims Assistance Helpline, where queries regarding your claim will be dealt with. **0818 208 408** (24 hours, 365 days a year).

5. Other Insurances

If any claim covered by this Policy is also covered by any other policy of insurance whether effected by the Insured or not, the Insurer shall not be liable to pay more than a rateable proportion. Provided always that nothing in this Condition shall impose on the Insurer any liability from which it would have been relieved by Part 3(a), (iii) and (iv) of Section 1 of 'Liability to Third Parties' on page 9 but for the terms of this Condition.

6. Care of Vehicle

The Insured shall take all reasonable steps to safeguard the Insured Vehicle against loss, damage, breakdown and prevent injuries. The Insured should ensure that the keys are not left in or on the Insured Vehicle while unattended or leave the Insured Vehicle unlocked.

The Insured Vehicle must be maintained in an efficient and roadworthy condition. The Insured must ensure that the Insured Vehicle has a valid CRW certificate and fit tyres appropriate to the Insured Vehicle, and ensure tread depths comply with the legal limit.

The Insured shall also allow the Insurer's authorised representative to inspect the Insured Vehicle at any time.

Subject to Condition 15, if Condition 6. "Care of Vehicle" is not complied with, the Insurer reserves the right not to pay a claim or if, by law, the Insurer is obliged to meet a claim, then the Insurer reserves the right to seek recovery of the payment from the Insured.

7. Change to Policy Details

The Insured must immediately inform the Insurer about any of the following changes which occur during the Policy period:

- change of car or any other vehicle you buy or take ownership of;
- convictions, prosecutions or any penalty points which apply to the Insured or any other insured driver of your car;
- change in a driver's health, address or occupation;
- modifications or alterations to the Insured Vehicle including, but not limited to, air induction kits and filters, lower suspension, change to the exhaust, engine maintenance computers or adding of body parts;
- change in use or in the main user of the Insured Vehicle; or
- any changes to:
 - the information provided in any Proposal Form or otherwise in response to specific questions asked by the Insurer; and/or
 - the information provided and recorded in any Statement of Fact issued to the Insured; and/or
 - the declarations made by or on behalf of the Insured; and/or
 - any additional information voluntarily provided.

When you notify the Insurer about a change, or if the Insurer otherwise becomes aware of any such change, as referenced above, the Insurer may reassess the premium chargeable and Policy cover more generally.

The Insurer may refuse a claim made by the Insured and/or an Insured Person (as the case may be) where there has been a change in the subject matter of the Policy which results in a new risk which the insurer did not agree to cover and which was beyond the reasonable contemplation of the Insurer and the Insured when the Policy was entered into.

Failure to disclose any such change may result in difficulty obtaining insurance in the future.

8. Arbitration

All differences arising out of this contract shall be referred to an Arbitrator to be appointed by the parties in accordance with current statutory provisions. Where any difference is by this Condition to be referred to arbitration the making of an award shall be a condition precedent to any right of action against the Insurer. Claims not referred to arbitration within 12 calendar months from the date of disclaimer of liability shall be deemed to have been abandoned.

9. Laws Relating to Compulsory Motor Insurance

If, under the provisions of Section 76 of the Road Traffic Act 1961 (as amended), or the equivalent law of any other country (if any) in which you are covered by this Policy, the Insurer is required by law to pay a claim which it would not otherwise be obliged to pay under the terms of this Policy, the Insurer shall pay such claim but shall be entitled to recover from the Insured or the Insured Person (as the case may be) all sums paid by the Insurer.

10. (1) Pre-contractual Representations

The Insured acknowledges and accepts the following:

- (a) the Insured has a legal duty prior to entering into the Policy and/or prior to the renewal of this Policy to provide responses to questions asked by the Insurer in relation to the risk(s) to be insured.
- (b) a matter about which the Insurer asks a specific question is material to the risk undertaken by the Insurer or the calculation of the premium by the Insurer, or both.
- (c) the Insured has a legal duty to answer all questions asked by the Insurer honestly and with reasonable care.
- (d) while the Insurer acknowledges that the Insured has no legal duty of voluntary disclosure, the Insured shall ensure that information which is voluntarily provided by or on behalf of the Insured is provided honestly and with reasonable care.

(2) Remedies for Misrepresentation

- (a) In this Condition 10, the term "negligent misrepresentation" means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by or on behalf of an Insured involves a negligent misrepresentation, the remedy available to the Insurer shall reflect

what the Insurer would have done had it been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:

- (i) if the Insurer would not have entered into the Policy on any terms, the Insurer may avoid the Policy from inception or renewal (as the case may be) and refuse all claims, but shall return the premium paid;
 - (ii) if the Insurer would have entered into the Policy, but on different terms, the Policy is to be treated as if it had been entered into on those different terms if the Insurer so requires;
 - (iii) if the Insurer would have entered into the Policy, but would have charged a higher premium, the Insurer may reduce proportionately the amount to be paid on the relevant claim.
- (b) Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the Policy, the Insurer may either:
- (i) give notice to the Insured that in the event of a claim it will exercise the remedies in paragraphs (a)(i)-(iii) above as appropriate; and/or
 - (ii) terminate the Policy by giving reasonable notice.
- (c) Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by the Insured involves a fraudulent misrepresentation, or where any conduct by the Insured (relative to the Policy or the steps leading to its formation) involves fraud of any other kind, the Insurer shall be entitled to avoid the Policy from the date of commencement or renewal (as the case may be) without return of premium.

11. Duty to Comply with Policy Conditions

- (a) The Insured must comply with the terms, limitations, Exceptions, Conditions and Endorsements of this Policy so far as they relate to anything to be done or complied with by the Insured, to include the Insured cooperating with the Insurer in the investigation of insured events, including by responding to reasonable requests for information in an honest and reasonably careful manner.
- (b) Other than where expressly provided in this Policy, compliance by the Insured with the terms, limitations, Exceptions, Conditions and Endorsements of this Policy shall be a condition precedent to any liability of the Insurer to make any payment under the Policy.
- (c) Breach of any notification-related term or Condition will entitle the Insurer to refuse payment of a claim where the Insurer was prejudiced by the breach of the notification-related term or Condition in question.

12. Insurance Act 1936

All monies which become or may become due and payable by the Insurer under this Policy shall in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland.

13. Stamp Duties Consolidation Act 1999

The appropriate Stamp Duty has been or will be paid in accordance with the provisions of Section 5 of the Stamp Duties Consolidation Act 1999.

14. Premium Alterations

If an alteration to the Policy results in an additional premium due to the Insurer or a refund premium due to the Insured, we will only charge or refund such premium provided the amount involved is greater than or equal to €10.

15. Effect of Continuing Restrictive Conditions

In this Policy, any term that imposes a Continuing Restrictive Condition, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a) the Insured breaches any such term; and
- (b) during the period of breach the Insured suffers a relevant loss; and
- (c) such breach increased, in the circumstances concerned, the risk of the loss suffered by the Insured,

the Insurer will have no liability for the loss.

16. Subrogation

This clause applies where the Insurer has the right to be subrogated to the Insured Person's rights against some other person but the Insured Person has not exercised those rights and might reasonably be expected not to exercise those rights because:

- (a) the Insured Person and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010); or
- (b) the Insured Person expressly or impliedly consented to the use, by the other person, of a motor vehicle insured under this Policy.

Where in the above circumstances the other person is not insured in respect of their liability to the Insured Person, the Insurer does not have the right to be subrogated to the Insured Person's rights against that other person.

Where the other person is so insured, the Insurer may not recover from the other person an amount greater than the amount that that person may recover under their insurance policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the Insured Person is an employer, the Insurer will not exercise its right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.
