

Payment Request Form

Please use for all encashment and surrender requests on savings and investments policies.

By completing and returning the attached form, you are instructing Zurich Life Assurance plc to make a full or partial payment from your policy. Below we provide guidance on the documentation required in order for us to make a payment to you.

If you have any additional queries, please do not hesitate to contact our Customer Service team on 01 799 2711 or email customerservices@zurich.com

Important details

- Anti-Money Laundering documentation is required for all policy payments. If these documents have not been submitted previously (for example at application stage), they will need to be sent to us so we can efficiently process your payment. Where a policy is jointly owned, Anti-Money Laundering documentation is required for both policy owners.
- In some cases, we will be required to seek additional Anti-Money Laundering documentation.
- It is important to note that early payment from your policy may attract a penalty.
- The proceeds of your policy may be subject to tax.
- A partial payment may reduce your sum insured by the partial encashment amount, excluding any bonus, if applicable to your policy.
- A partial payment may result in a premium increase at the next policy review - if applicable to your policy.
- Once your policy has been fully encashed you will lose any valuable life assurance protection (if applicable) and you may not restart this policy. As you get older taking out a new life assurance protection policy (if applicable) is likely to be more expensive.

Verifying and protecting your identity

Why do we need to verify your identity?

The Criminal Justice (Money Laundering and Terrorist Financing) Acts require Zurich Life to collect documentation to verify our clients' identity and their residential address. This means that we must identify our customers and appropriately verify each customer's identity (including the beneficiary and beneficial owner where applicable). For saving and investment products this is done via proof of identity and proof of address.

When do we need to verify your identity and current residential address?

Usually this is done at application stage or if you notify us of a subsequent change of address. However, if we do not already have proof of identity and proof of address for you, we will verify this information when you apply for a full/partial payment.

What can you use to verify your identity?

To verify your identity you should send us a certified copy of one of the following documents:

- Current passport
- Current driving licence
- Current national identity card

These documents must be current (i.e. not expired), valid and the photograph and dates must be clearly legible.

Documentation that **CAN'T** be used to verify your identity:

- Out of date photo IDs
- Garda National Immigration Bureau Cards
- College IDs
- Garda Age Cards
- Employer IDs including state agencies, eg. Army
- Marriage, Birth or Baptismal Certificates

What can you use to verify your current residential address?

To verify your current address you should send us a certified copy of one of the following documents:

- Utility bill, e.g. electricity bill where the supply and billing address are the same, or
- Bank statement or credit card statement, or
- Building Society statement, or
- Health insurance statement referencing the individual's policy, name and address, or
- Revenue or Tax Certificate, or
- House or motor insurance certificate from a company regulated by the Central Bank of Ireland, referencing an individuals' policy, name and address, or
- Government issued payslip, issued to public servants, or
- Instrument of a Court Appointment (e.g. a Grant of Probate), or
- Other documentation issued by a Government Body (e.g. Department of Social Welfare), such as child benefit or confirmation of State pension letters.

These documents must be current i.e. no more than six months old. The above list of documents is not exhaustive and other documents may be acceptable. Please contact your Financial Advisor for further guidance on acceptable documentation.

Documentation that **CAN'T** be used to verify your current residential address:

- TV Licence
- EFlow Statement
- Mobile Phone bill
- Invoices, eg. Invoice for Oil
- Motor Tax online renewal notice
- Store Cards or Catalogue Statements

How to certify your documents

Anti-Money Laundering documents can be certified by any of the individuals listed below. When certifying the original documents, the person must print their name, provide their phone number, sign and date the copy and state "I certify this is a true copy of the original document".

Who can certify your documents?

Any of the following people can certify that the copy of the document you are sending to us is the same as the original:

- Financial Advisor
- Garda
- Accountant
- Solicitor
- Persons in regulated financial or credit institutions, eg, banks
- Medical Professional

Policies that are assigned to a third party

If your policy is assigned to a third party, the request to fully or partially pay this policy should be authorised by the assignees. The Payment Request Form should be stamped or signed by or on behalf of the assignees. The original Deed of Assignment should be forwarded with the Payment Request Form.

We will require a certified copy of proof of identity and current address for the assignees unless the policy is assigned to a bank/financial institution.

Once the payment has been processed by Zurich Life, the payment will be made to the assignees. The payment will only be made to the policy owner(s) where Zurich Life is specifically requested to do so by the assignees. If this is the case we will also require a certified copy of proof of identity and current address for the policy owners.

If your policy is assigned and you wish to instruct a payment, the assignee must first send a notification back to us releasing their interest in the policy. In this case we will also require a certified copy of proof of identity and current address for the policy owners.

Further Anti-Money Laundering documentation may be required where the assignee is not a legal entity.

Please complete the Payment Request Form and return it, along with Anti-Money Laundering requirements if applicable to:
